IT ALL STARTED WHEN THE EVIL LORTEN PLUNDER MET WITH LEADING ENVIRONMENTALIST "JOLLY" JIM SLIMM...
SO YOU SEE, MR. SLIMM, I BELIEVE POLLUTION IS VERY, VERY BAD!
AND YOU WANT TO BUILD A THEME PARK, TO SERVE AS AN EXAMPLE TO PEOPLE?
SOUNDS LIKE A GREAT IDEA!
WITH SLIMM ON HIS SIDE, PLUNDER FOUND FUNDING CAME EASILY FOR POLLUTIONLAND.
ENVIRONMENTALISTS FROM ALL ACROSS THE COUNTRY TURNED OUT FOR A SPECIAL SNEAK PREVIEW OF THE NEW THEME PARK.
POLLUTION LAND
MY FRIENDS, THIS IS THE BEGINNING OF A NEW ERA-- ONE WHICH WILL SEE AN END TO POLLUTION!
YAY!!
BUT PLUNDER BRAINWASHED ALL THE ENVIRONMENTALISTS SO THEY WOULD SPEAK OUT IN FAVOR OF HIS UNSAFE PRODUCTS!
SURE, PLUNDERSCENT ™ AEROSOL SPRAYS ARE HARMFUL TO THE OZONE LAYER, BUT THINK ABOUT IT...

The Teenage Mutant Ninja Turtles Have Mutated Again.

Strong new enemies like Tora the Polar Beast will frost your shell.

Only this time it's no accident. As Ultra® transforms your favorite arcade game into a hard hitting new adventure for the Nintendo Entertainment System®.

With eight original arcade levels, plus two never before seen shell squashing stages and a ton of new enemies, Teenage Mutant Ninja Turtles® II—The Arcade Game™ is unlike any sewer war the turtles have ever fought in.

Radical new attack moves really punch up the arcade-style graphics.

Fortunately two can play at this game, double teaming Shredder's 700 Foot Soldiers who will fight you every step of the way—from the Central Park Snow Route to the stone cold Rock 'N Roll Quarry.

Of course to crush invincible enemies like Tora and Shogun, you must master radical new attack moves which Splinter has programmed into the game.

So grab the adventure that's hotter than a radioactive meltdown. But be warned. You might turn green, grow a shell and suddenly start craving jumbo pizzas with extra pepperonis.

In the never before seen Ninja Castle, you'd be wise to choose a partner before you pick a fight.

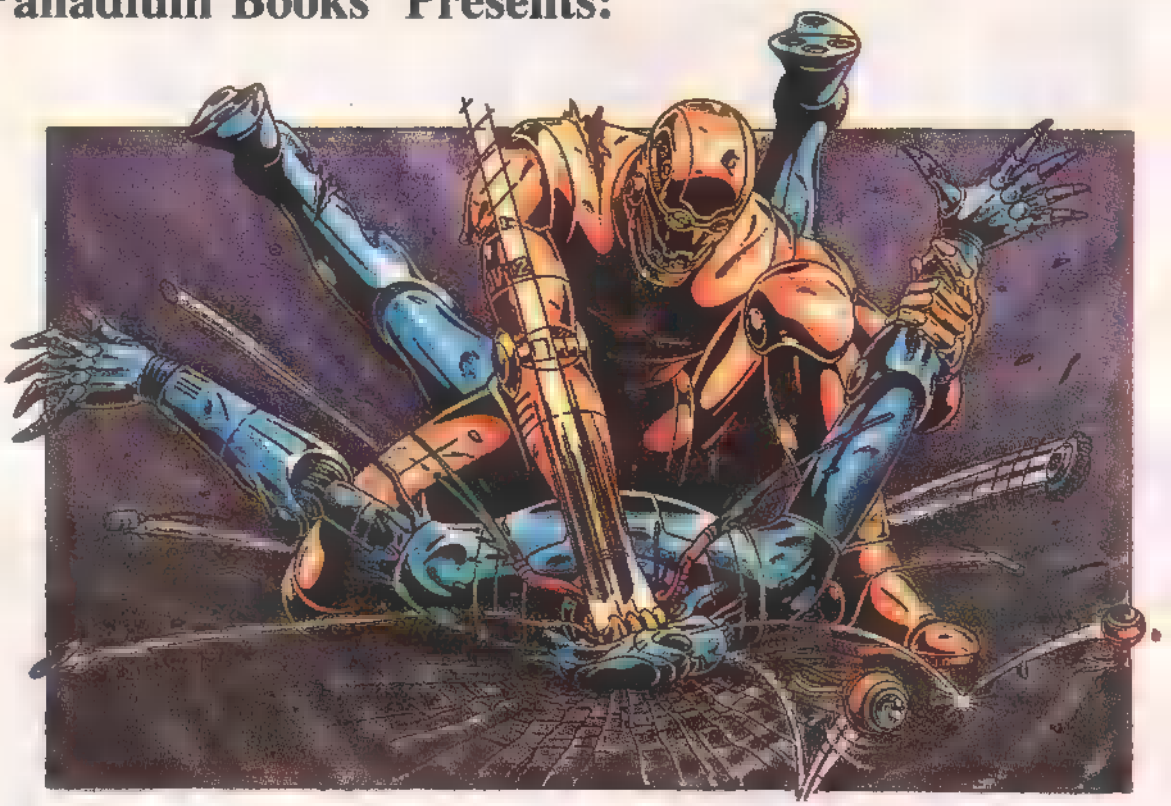
Palladium Books® Presents:



RIFTS®

Rifts® is a world of earth's dark future.

A nuclear exchange was the match that ignited disaster, but it was the psychic energy of billions of people that flooded the ley lines and tore open *rifts* in the fabric of space and time.

Its hundreds of years later. Humankind has just barely survived. But they are not alone. The rifts still throb with mystic energy changing both man and the world around him.

From the rifts emerge supernatural and alien monstrosities. Demonic fiends whose bodies are impervious to normal weapons and possess superhuman power.

But humankind has changed as well. Bionic augmentation, bizarre experiments, mutation, psionics, giant robots and battlesuits turn ordinary men and women into superhumans. And then there are the masters of magic.

Rifts® is a multi-genre role-playing game that captures the elements of magic and the supernatural along with science fiction and high technology.

Highlights include:

- **Nearly 30 different Occupational Character [illegible] including dragons, psychics, [illegible] animals, Psi-Stalkers, Cyber-Knights, Juicers, Borgs, Glitter Boys, Techno-Wizards, [illegible] many others.**
- **Super-technology includes mega-damage weapons, bionics, cybernetics, [illegible] power [illegible].**
- **16 pages of color paintings by [illegible] Parkinson, [illegible] Long and others.**
- **256 page, soft bound rule book, profusely illustrated. $24.95; compatible with all our other games.**
- **[illegible] is NOT a game for beginners, but challenging for [illegible] more advanced RPG player. Recommended for ages 15 [illegible] older.**

STAN'S SOAPBOX

Hi! Heroes,

There I was reading some old Soapboxes the other day (Hey, somebody's gotta do it!) and I came across a column from 1960 that I thought might be appropriate in this, the holiday season of brotherly love. So, without further (or even lesser) ado, here goes ...

Everyone yaps about young people being "different" nowadays. Forget it. Human nature doesn't change. What's happening is, the world has been wildly changing, producing new sets of rules each time you blink your eye. It's the social climate, the environment that's been changing, not you 'n me, Bunky!

Here's a f'instance: Say you've got two homes—a lonely cabin in the country and a small city apartment. You play your stereo full blast in your cabin, but who cares? There's no one around to hear it, so you're not disturbing anyone. But play it just as loud in your small apartment with the paper-thin walls and your neighbors will clobber you. You haven't changed. You're the same yo-yo in both places. But the conditions are different!

Fact is, young people are the same as ever; the same noisy, scroungy, mangy, wonderful crazies they've always been — and adults are still the same grouchy, grunchy, goopy, hard-pressed and harassed heroes they've always been — and which you'll soon become. Nothing changes but the labels. Which leads us to the main point I wanna make —

None of us is all that different from each other. We all want essentially the same things out of life — a measure of security, some fun, some romance, friendship and the respect of our contemporaries. That goes for everyone, Italians, Russians, Arabs, Asians, Catholics, Protestants, Jews, Blacks, Browns, Whites and green-skinned Hulks. So why don't we all get with it and stop putting the "other" guys down? Just look in the mirror, mister — that other guy is you! Seasons Greetings!

Excelsior!

Stan Lee

We'll, it's that time of year again, you know, jingle bells, and mistletoe and ho-ho-ho. It's season for giving. (Last month, we had thanksgiving. This month we have giving. Shouldn't that be the other way around?)

Our uptown friends were apparently very much in the spirit of giving this year—they gave us two of their employees—kind of. As we looked under the Marvel editorial tree this year, we were thrilled to find, wrapped in decorative packages with shiny red ribbons, former DC people "Jolly" **Joey Cavalieri** and "Merry" **Mindy Newell**. (It's not the Hot Wheels Track we had asked for, but there's always next year.) Joey and Mindy have joined us as an editor and an assistant editor, respectively and we're as happy as eight maids a' milking to have them aboard. Joey is now editor of MOON KNIGHT as well as the new ultra-top secret 2093 line. Mindy will be assisting **Bob Budiansky** over in Special Projects. Welcome aboard, Joey and Mindy! Now stop tacking up the mistletoe all over the joint and get to work.

All seriousness aside, we do have a lot of decorating to do here around the Marvel offices. We've even gone so far as to rearrange the ornaments at the top of the Marvel editorial tree this year, what with some recent promotions. "Melchior" **Gruenwald**, **Carl "Caspar" Potts**, and "Balthazar" **Budiansky** (or, the three Wise Men of Marvel, as they're collectively known), are all Executive Editors (with Mark being Senior Executive Editor, of course!), each of whom has his own stable of editors to oversee. **Tom "Scrooge" DeFalco** is still our inestimable Editor in Chief, meaning he gets to put the cigar on the top of the tree. (We know, it's supposed to be a star, but Tom *is* the boss ... !)

Of course, once you have your own tree, you'll need gifts to put beneath it. As you're waiting in endless lines in department stores this year, or futilely searching for a parking space, you may be pondering gift ideas. What can you stuff in your stocking this year? Well, we can't buy your presents for you, but we can point out that this year, for the first time ever, it is now possible to own stock in Marvel. It's true, the Marvel Entertainment Group has gone public, and now it's possible to become a shareholder. Just think of the punniness were one to put stock in a stocking! Even the Grinch could appreciate that!

Okay, so maybe stock is not exactly your cup of eggnog. Perhaps you'd like something a little more fun. Then we can't think of anything better than a membership in WAM!, the official Marvel fan club. WAM! stands for Wild Agents of Marvel, and is not in any way affiliated with pop singer George Michael. The club membership includes a wreath-full of goodies, as well as a quarterly newsletter. It's even better than a Perry Como holiday special!

So, now, as you sit around the open fire (wishing you had a fireplace), sipping hot cocoa in the dark, praying the carolers outside won't know you're home, you may wish to relax with a good magazine. How about that copy of *Entertainment Weekly*, with the colorful write-up on X-MEN #1, chock full o' photos of **Jim "Rudolph" Lee**, **John "Frosty" Byrne**, and **Chris "Santa" Claremont**. And then there's that chestnut-roasting write-up **Todd "Tiny Tim" McFarlane** received in *People* Magazine for his work on the SPIDER-MAN book. It occurs to us that the media have blessed the comics biz of late with the gift of coverage.

With this being the season of giving, we got to thinking what we, the Marvel Entertainment Group, could do for you, our loyal fans. Then it occurred to us we could increase the entertainment value of all our comics by an inflationary 100%! That's a deal that's sure to make your sleighbells ring-a-ling. Unfortunately, we've also had to raise the prices of our standard newsstand comics to $1.25. What's that, you say—only a 25% price increase with a 100% increase in quality? How can they do it, you ask? It's easy. We've all taken an oath to care even more than we usually do. If you still don't know what to make of the situation, think of it as getting a visit from the Ghost of Price Increases Past.

Brrr! The snow does seem to be piling up outside, and it seems to be getting a little deep in here, too. So it's time once again for us to cook up a batch of cut-out cookies, snuggle up with our loved ones, and listen to dogs barking out our favorite Yuletide carols. What more could any merry Marvelold ask for? Peace, people!

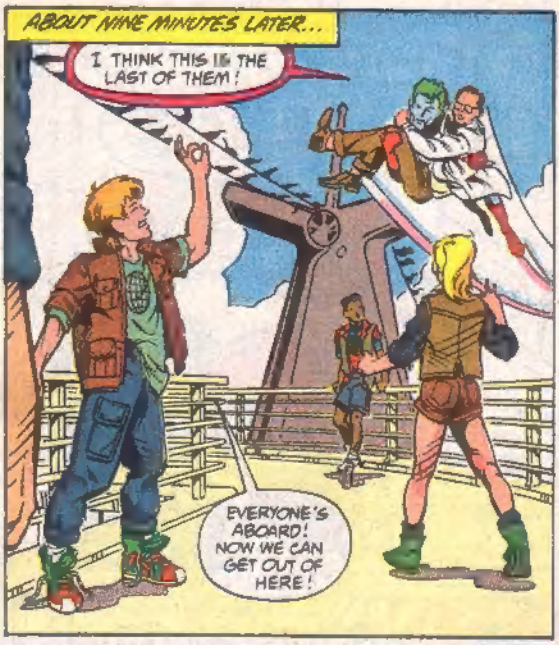
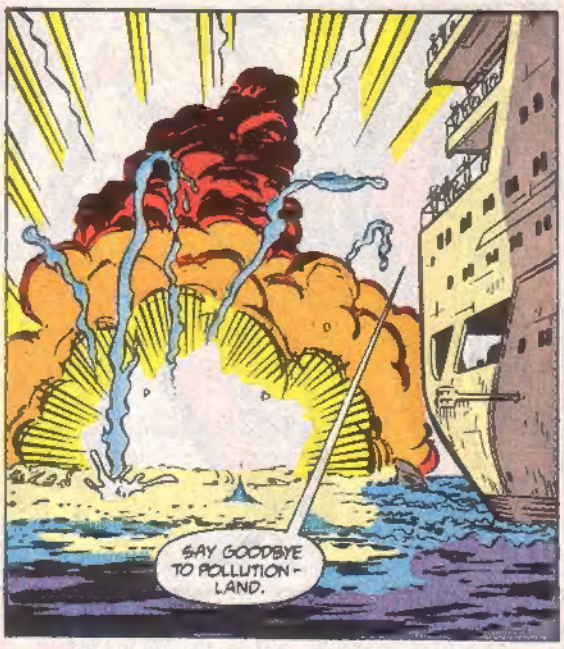
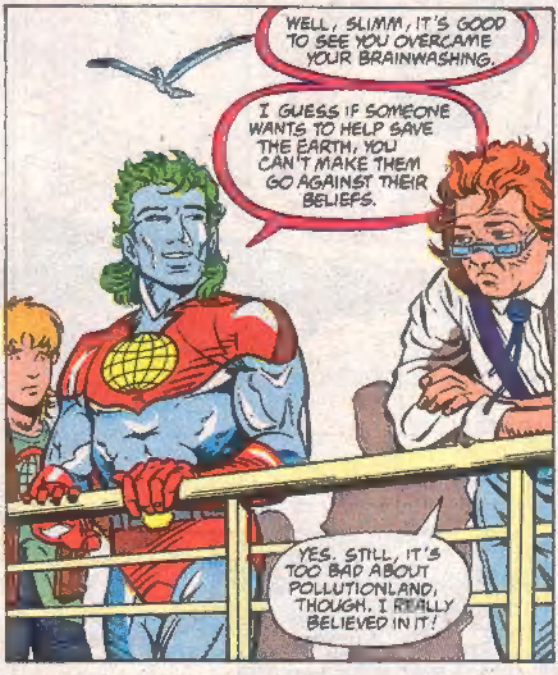
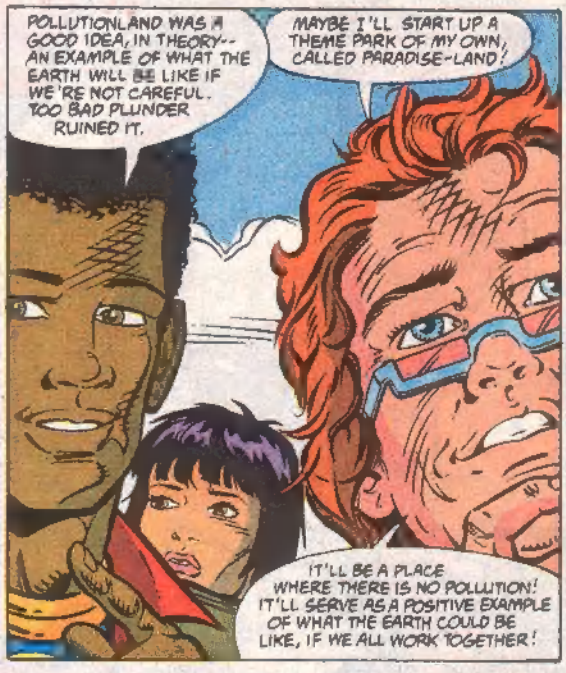
NO! THE OTHER TOURISTS ON THE ISLAND-- THEY MUST BE SAVED!
WE MUST GET ALL THE PEOPLE OFF THE ISLAND BEFORE IT EXPLODES!
SLIMM'S RIGHT! I'LL FREE THE CAPTIVE ENVIRONMENT-ALISTS...
...WHILE THE REST OF YOU GET THOSE TOURISTS BACK ON THAT SHIP! AND HURRY! WE ONLY HAVE TEN MINUTES!







WELL, SLIMM, IT'S GOOD TO SEE YOU OVERCAME YOUR BRAINWASHING.
I GUESS IF SOMEONE WANTS TO HELP SAVE THE EARTH, YOU CAN'T MAKE THEM GO AGAINST THEIR BELIEFS.
YES. STILL, IT'S TOO BAD ABOUT POLLUTIONLAND, THOUGH. I REALLY BELIEVED IN IT!



POLLUTIONLAND WAS A GOOD IDEA, IN THEORY-- AN EXAMPLE OF WHAT THE EARTH WILL BE LIKE IF WE'RE NOT CAREFUL. TOO BAD PLUNDER RUINED IT.
MAYBE I'LL START UP A THEME PARK OF MY OWN, CALLED PARADISE-LAND!
IT'LL BE A PLACE WHERE THERE IS NO POLLUTION! IT'LL SERVE AS A POSITIVE EXAMPLE OF WHAT THE EARTH COULD BE LIKE, IF WE ALL WORK TOGETHER!
